# STALLION

LEATHER COLLECTION

Introducing our newest collection of leather sofas and chairs, the Stallion Collection are bold with a touch of class. The leather is a natural product and each hide is identified on occasion by growth marks, scars and variations in colour, which adds to its beauty.

# Introducing STALLION

The uniqueness of leather sofas lies in their enduring durability, timeless style, luxurious comfort, easy maintenance, unique aging process, versatility, and allergy-friendly nature. These qualities make leather sofas an exceptional choice for those seeking a blend of elegance, functionality, and long-lasting value in their furniture investment.

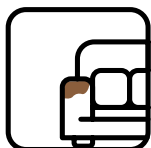

# The Origins of Indian Leather

Indian leather is renowned worldwide for its impeccable craftsmanship, blending tradition, innovation, and sustainability. This unique combination is evident in the tanning process used to create luxurious leather sofas. Indian artisans meticulously select the finest raw hides and employ a meticulous process that seamlessly merges traditional techniques with modern methods.

By treating the hides with natural tanning agents, these skilled craftsmen ensure the leather's exceptional quality, durability, and longevity. The result is supple and robust leather that is perfect for sofa upholstery. Indian leather sofas embody the timeless artistry and eco-friendly ethos of the country, offering a harmonious blend of comfort, style, and cultural heritage.

# Leather Care

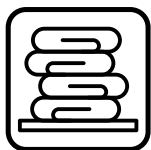

Wipe away stains with a soft damp cloth as soon as they occur

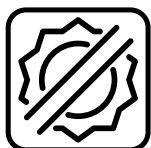

Vacuum frequently

In depth clean, with mild lukewarm soapy water, taking care not to soak the leather

Dust with a soft dry cloth

Avoid direct sunlight, sources of excessive heat  
i.e. fire or too close to radiation

## Testing

Manufactured under ISO9001:2000 ISO 14001:2004 OHSAS 18001:1999 Quality standards and comply with British/European standards for upholstery leather BS EN: 13336: 2012. Also complies with BS 5852:1998 Furniture & Furnishings (Fire Safety) Regulations.

## Physical Property Tests

- Adhesion to finish – BS EN ISO 11644:2009
- Colour fastness to dry rubbing – BS EN ISO 11640:2012
- Colour fastness to light – BS EN ISO 105-B02:2013
- Flexing Endurance – BS EN ISO 5402-1:2011
- Tear Strength – BS EN ISO 3377-1:2011
